ABOUT ME

Hi,

Highly motivated and results-oriented Project Manager with 3 years of dedicated experience in IT project management and a total of 8 years in diverse management roles including Sales, Logistics, and Event Management.

Proven ability to successfully lead and deliver a wide range of projects, from complex web, application and CRM development to large-scale events (managing teams up to 50 people and events for over 1,000 attendees). Skilled in team leadership, project planning, risk assessment, crisis management, and client communication. Adept at managing multiple initiatives simultaneously and driving projects to successful completion in both online and offline environments.

Passionate about leveraging diverse management background to deliver impactful IT solutions.

EXPERIENCE

Product/Project Manager IT

Empat - IT & Startup studio

Jun 2022 - Present - Kyiv

Was engaged in team management for **WEB and APP development**. I also took part in the development and management of **various startups, partnership projects and charitable projects in support of Ukraine**.
